

The *Bookish Society*

What's our purpose?

We are an author-focused book society that reads by mood—sometimes inspired by the season, sometimes by curiosity.

You don't have to finish the book to join us—come as you are, read what you can, and enjoy the conversation.

We keep our discussions lighthearted and fun. No controversial topics—just stories, ideas, and connection.

Our gatherings are guided but never rigid. Think of them as cozy, free-flowing conversations among friends.
